Clerk W. Lillibridge of Springfield, Mass., Shot and Anton Neiman Is Charged With the Crime.

Springfield, Mass., Feb. 28.—Clerk W. Lillibridge, proprietor of Amrory Hall market and a well-known G. A. R. man, was killed this morning in a barn behind his house and Anton Neiman is under arrest charged with the murder. Nei-man admitted he shot Lillibridge, but asserts that he had just provocation, and only fired after the dead man had

shapped his face.

There were no other witnesses to the shooting, but afterwards Neiman was seen dancing around the yard, waving a revolver and crying: "I have shot him."

Lillibridge's wife says she knows no reason why her husband should have quarreled with Neiman. Lillibridge be-

soult upon Anson Moore, a farmer of North Munroe, N. H., Wednesday evening. Stone refuses to say anything, he was held for indentification. Sheriff Davis of Woodsville, N. H., will come here and its largest concerns in the country, striving in a few minutes. It is alleged that through connivance with Ned W. Barton, Henry and Barton durivaled more than twenty of the largest concerns in the country, striving in a few minutes.

sult of the clubbing and kicking and his recovery is considered doubtful. Stone is feeting Henry's invention. some 26 years of age.

BOY SAT ON THE BELT.

The Machinery Was Started and Boy Was Nearly Killed. Stowe, Feb. 28 .- At the power station

of the Mt. Mansfield Railway company this morning, Wayne, the five-year-old son of S. J. Dana, the fireman, had a narrow escape from death by being drawn in between the belt and the pulley of the dynamo. The boy had sat down on the belt and when the machinery was started he was carried under the pulley. He was seen just in time to save him from probably fatal injuries. His right arm was broken and he was badly bruised about his body.

BULLET IN HIS HEAD, BUT HE WILL LIVE

BARRE, VT., FRIDAY, FEBRUARY 28, 1908.

Edward Johnson, Montpelier Granite Cut ter, Out of Work-Says It Was Accidental, Priends Think He Tried Suicide.

States Grand Jury

From Heaton hospital comes to-day the assurance that Edward E. Johnson's attempt to end his life in a Montpelier boarding-house yesterday afternoon will be unsuccessful. There is a builet still in his head, but the patient is better to-day and hids fair to recover. Johnson's act was due, it is said, to despendency because out of work, which, on top of his wife's desertion, was more than he thought he could bear.

The Phelps vs. Rutland R. R. Damage Suit Is Now With Jury, Evidence

Having Been Completed

From Heaton hospital comes to-day the assurance that Edward E. Johnson's attempt to end his life in a Montpelier boarding-house yesterday afternoon will be unsuccessful. There is a builet still in his head, but the patient is better to-day and hids fair to recover. Johnson's act was due, it is said, to despendency because out of work, which, on top of his wife's description, was more than he thought he could bear.

The attempt to end his life in a Montpelier boarding-house yesterday afternoon will be unsuccessful. There is a builet still in his head, but the patient is better to-day and hids fair to recover, Johnson's act was due, it is said, to despendency because out of work, which, on top of his wife's description, was more than he thought he could bear.

Having Been Completed of Mrs. Jack Barriett on Sibley avenue.

Johnson was on Wednesday laid off from work as granite cutter at Brault & Sargent's plant. He was about the house in the moroing and was engaged in writing some letters. A chambermaid went into his room in the foreneon and fixed in the second and fixed and to he was a second and to he was a second and fixed and to he was a second and the house in the moroing and was engaged in writing some letters. A chambermaid went into his room in the foreneous and fixed and the heart of the house in the moroing and was engaged in writing some letters.

supposed.

Johnson said to-day that the shooting was accidental, but his friends are inclined to believe still that it was an attempt to end his life. Not very long ago he told Mrs. Bartlett that he didn't know why he was alive. His having a revolver in his room scared his land-lady and she told him to go away. He did so but came back a few days later is a food, and not injurious. Modern and said not to worry, as it would be research has proven that it kills more slowly but as surely as whiskey.

And said not to worry, as it would be all right. Whereupon, Mrs. Bartlett welcomed him back. Johnson's wife is said to be in Worcester, Mass,

A FISHERMEN'S BANQUET. Greensboro "Bunch" Entertained by Frank McWhorter.

Clothed in fishing togs, rubber boots, straw hats and anti-ipation of a good time, ten men who are frequenters of the time, ton men who are frequenters of the cool depths of Greensboro pond after the fighting trout "wonded their way" to 31 Richardson street last night. That is, figuratively speaking, they wended their way. Actually, they hadly allowed themselves to be drawn there by hacks. They were a morley-locking crowd and no mistake, and fishing-flys and sinews protruded from every crevice in their nondescrint clothing.

protruded from every crevice in their nondescript clothing.

They were responding to an invitation of one of their number, Frank McWherter, for an evening of fish-tales. The tales were preceded by a dinner, the likes of which will scarrely ever be eaten, so the guests say. One member stated, in telling of the event, that he thought there were eleven courses, one for each there were eleven courses, one for each asserman present. At any rate, it was a splended repast that the bost, his wife and daughters set before the party; and that a fisherman's appetite went with

At the regular meeting of Vincitia club last evening there was an impromisa celebration over the clearing of the ciub's debt incurred when the club mover of from the Worthen building to its present quarters in the Blanchard building. A large amount of new furnishing. A large amount of new furnishings were required by the change, and the credit of various members was pledged to the amount of \$1,500 to meet the expenditures. The last of the note has been paid, and hence the jollification last night.

The committee from the Quarry Owners' ascociation in this city last evening, when the demands of the quarry owners submitted a proposition of settlement which the committee will present to a meeting of its union at Graniteville to-morrow evening.
